

Crestron + Microsoft Teams Panels

Unlock the full potential of Microsoft Teams with advanced room scheduling

Together, Crestron and Microsoft deliver what you need to make the most of your day.

Now, with Microsoft Teams® Panels you can have a seamless, native Microsoft Teams experience throughout your workday. Book rooms. Have meetings. Ensure every room is used to its full potential.

Easily navigate your day with a superior level of options, performance, and responsiveness

Everything you need at your fingertips, from floorplans and catering, to concierge service and support.

Crestron Touch Screen

- Quickly locate available rooms
- Proximity sensor awakens screen upon approach for a touchless experience
- Sharp screen resolution communicates with perfect clarity
- Install in minutes with single PoE+ cable
- Web-based setup – no programming required
- Supports full range of security standards

Microsoft Teams Panels

- Reserve rooms from the mobile app, at your desk, or on the spot
- See the day's schedule, plus each room's availability and cleanliness status
- Confirm the right room and attendees
- Expand functionality via integration of third-party apps (catering, floorplans, concierge, support)

5 years of constant use. 24/7, 365 days a year. That's our commitment.

Find your ideal room scheduling solution from an unequalled selection of options
